This home is located in a family residential complex with common areas and a large community pool. The house has two floors. On the ground floor (only two steps access to the house) we have a low-maintenance garden, a pergola to park the car and a BBQ area. The garden floor is made of resin with an elegant design. This floor is very easy to clean and comfortable to walk on. On the ground floor of the house there is a very bright living room with access to the kitchen with a large bench surface. There is also two double bedrooms on ground floor, one to the right and one to the left, both with fitted wardrobes. The second floor has a spacious and bright double bedroom with access to a large solarium with views, perfect for morning coffee or a glass of wine at sunset accompanied by a good book. On the 2nd floor there is as well a good size bathroom. This home has many improvements; It has central heating throughout the house, tilt-a...
