If you have a project in mind, here you have the opportunity to start making your dream come true. ~~~The location is ideal and the square meters allow you to build the house of your life to your measure. It has 10,000 m² of plot, just a few minutes from the football field area of Elche, it is located in the district of Perleta, where they have a school, supermarket, social center, restaurants etc ... since it is an area in demand due to its proximity to the beach just 14 minutes and five minutes walk from the same plot to Perleta. It is already bordered by neighbors with chalets, so access to water and electricity supplies is not cumbersome. ~~~You just have to imagine how you want to live, how you want your house and start building your dream.~~~THIS AD MAY CONTAIN ERRORS, IT IS NOT CONTRACTUAL OR BINDING.
