Were you looking for something big? In a good location? And with an elevator? and with a parking space? Well here you have it. You can create your home in a spacious, bright home with 4 bedrooms, so that each member of the family has their own private space, it also has a bathroom, ready to refresh yourself quickly and continue with the rhythm of life! It also has a toilet, so if the bathroom is occupied, you have another at your disposal, for visits from friends and family. The kitchen is prepared to enjoy it preparing tasty dishes to share with your loved ones, but if what you need is to be in a spacious living-dining room to watch television or play video games, it also has this special space for daily rest. And if this were not enough, it has an elevator and a ramp for wheelchair access. The location is great in the Plaza Madrid area, with supermarkets, shops, restaurants and everything you need on a daily basis. But if what you are worried a...
