From the moment you walk through the door, you notice the splendor of the property feeling the need to enjoy each of its wonderful exteriors, as well as its fully functional interior. The villa is located on a plot of 1000m², where we find a house of 470m², next to a beautiful garden, where there is a large outdoor pool. In this place, independent of the house, there is a gym equipped with sauna and shower. It also highlights its summer barbecue, connected with a full bathroom next to a large winter terrace, closed with large windows, converted into a living room, to enjoy great evenings watching movies or soccer games, in its large cinema projector. In this corner we will be able to take advantage of those cold nights, but so pleasant next to the warm atmosphere, provided by the barbecue, typical of our Mediterranean climate. Arriving inside the house, we see how it is distributed on two floors, basement and garage. On the second floo...
