This uniquely designed home is located in a private location with fantastic views. The architecture integrates seamlessly into the green surroundings of this exclusive area of Ciudad Quesada. The villa has been designed to optimize the views combined with a perfect orientation to the sun and total privacy. The house is arranged over three floors: On the lower floor there is a sauna, gym, bathroom, bedroom and storage. On the ground floor, a spacious living room with high ceilings and very bright. The living room has a beautiful fireplace. The kitchen is perfectly integrated into the living space. On this floor there is also a bathroom. On the first floor there are three bedrooms, an office and two bathrooms. In addition there is an internal double garage. The house was built with modern amenities such as heated floors, centra...
